Management MSM

Together, the [Graduate Student Handbook](#) and your graduate program handbook should serve as your main guide throughout your graduate career. The Graduate Student Handbook includes university information, policies, requirements and guidance for all graduate students. Your program handbook describes the details about graduate study and requirements in your specific program. While both of these handbooks are wonderful resources, know that you are always welcome to talk with faculty and staff in your program and in the Graduate College.

The central activities and missions of a university rest upon the fundamental assumption that all members of the university community conduct themselves in accordance with a strict adherence to academic and scholarly integrity. As a graduate student and member of the university community, you are expected to display the highest standards of academic and personal integrity.

Here are some resources to help you better understand your responsibilities:

- [Academic Honesty](#)
- [Academic Integrity Training](#) - Open to all graduate students at no cost
- [Plagiarism](#)

Introduction

Congratulations on your acceptance into the University of Central Florida's Professional Masters in Management (PMSM) Program. At this time, I would like to congratulate and welcome you on behalf of the faculty and staff of the College of Business Administration. We are pleased and excited about both the quality and diversity of the men and women who are joining this class. We know you will be proud to be a part of such an accomplished and dynamic group. The richness of experience and backgrounds that you and your classmates bring to the College will be a benefit to everyone involved with the PMSM Program. We are here to support you as you progress through the program.

Dr. Robert Porter, Executive Director

Curriculum

Please visit the [Graduate Catalog](#) to see the current curriculum for our program.

Timeline for Completion

The PMSM is a 20-month, limited class size, cohort program that meets two evenings a week from 6:00 p.m.-9:50 p.m.

Graduate Research

UCF has three fundamental responsibilities with regard to graduate student research. They are to (1) support an academic environment that stimulates the spirit of inquiry, (2) develop the intellectual property stemming from research, and (3) disseminate the intellectual property to the general public. Students are responsible for being informed of rules, regulations and policies pertaining to research. Below are some general policies and resources.

Research Policies and Ethics Information: UCF's Office of Research & Commercialization ensures the UCF community complies with local, state and federal regulations that relate to research. For polices including required Institutional Review Board (IRB) approval when conducting research involving human subjects (e.g. surveys),

animal research, conflict of interest and general responsible conduct of research, please see their website: research.ucf.edu/ > Compliance.

UCF's Patent and Invention Policy: In most cases, UCF owns the intellectual property developed using university resources. The graduate student as inventor will according to this policy share in the proceeds of the invention. Please see the current UCF Graduate Catalog for details: <http://catalog.ucf.edu/index> > Policies > General Graduate Policies.

Financial Support

Graduate Financials

Students with qualifying assistantships or university-wide fellowships will receive financial packages that include an assistantship or fellowship stipend, tuition remission, and health insurance. Qualifying fellowships are accompanied by tuition waivers. Qualifying assistantships include single appointments of at least .50 FTE (20 hrs/week) or two appointments of at least .25 FTE (10 hrs/week). Tuition remission is in the form of either tuition waivers or tuition payments that cover in-state (resident) tuition. Non-resident students with financial packages are not charged out-of-state tuition or the non-resident financial aid fee.

For additional information about funding for graduate school, please visit funding.graduate.ucf.edu/.

If you are interested in applying for loans or externally funded need-based awards, visit the Office of Student Financial Assistance website at finaid.ucf.edu and complete the Free Application for Federal Student Aid (FAFSA), which is available January 1 each year.

Financial Support Requirements

Graduate students must meet certain requirements each term that they receive fellowships or assistantships. In brief, to receive and maintain these types of financial support packages, a student must:

- maintain good academic standing
- be enrolled full time

A more detailed description of the financial support requirements can be found in the Financial Information > Financial Support requirements of the current Graduate Catalog at catalog.ucf.edu/index.

Graduate Assistantships

Graduate assistantship appointments offer opportunities for students to engage in research, teaching, and other projects during their graduate study. These are paid appointments that promote the missions of the University. For eligibility, students must be accepted as a graduate student in a degree program and be enrolled full-time.

For more information concerning graduate assistantships, see the Financial Information > Graduate Assistantships section of the current Graduate Catalog at <http://catalog.ucf.edu/index> or talk to the Graduate Program Director to learn about specific eligibility and application guidelines.
