

Graduate Student Organizations

Looking for a great way to connect with other graduate students around campus? Participate in a Graduate Student Organization, and discover countless resources, graduate peers with similar interests, and valuable opportunities for collaboration.

Below is a brief list of Registered Student Organizations (RSO) at UCF. For the complete list please visit: <https://knightconnect.campuslabs.com/engage/organizations>. RSOs are created and maintained by UCF students so you can even start your own.

For more information on student organizations and how you can start your own RSO, please visit: <http://osi.ucf.edu/student-orgs>.
