

Preeminent Postdoctoral Program (P3) Travel Support Request Form

Through an Exceptional Funding Request, the UCF College of Graduate Studies has been allocated funding to support new postdoctoral scholars at UCF. During their two years as a P3-funded postdoc, each P3 scholar will be eligible to apply for and use funds (up to \$5,000) to attend future-dated conferences or workshops for professional development. Please note, it is UCF policy that a Spending Authorization must be in place before any conference-related travel purchases are made.

Eligibility

Postdoctoral scholars funded by P3 can apply for professional development funds during their tenure as a UCF postdoc. PLEASE NOTE: The funds are to be used by postdocs after they have been in their position for at least two months.
