

Request for Preeminent Postdoctoral Program (P3) Support for Faculty Job Offers

This form is intended for requesting Preeminent Postdoctoral Program (P3) support for faculty job offers. Please ensure that all sections of the form are completed accurately to expedite the processing of your request.

P3 support equates to \$25,000/yr + fringe for two years and a \$5,000 professional development stipend for the postdoc.

Upon completion, please return this form AND the candidate's CV to postdoc@ucf.edu.

Eligibility

Requests for this support would primarily be for tenured and tenure-earning faculty that UCF is trying to recruit.

Unless current demand for P3 support is low, the program will only support one postdoctoral scholar per faculty member. Please inquire when applying.

Required Information:

Candidate's name: _____ Expected faculty start date: _____

Hiring school/department: _____ College: _____

Requesting party name: _____ Expected postdoc start date: _____

Please briefly describe the candidate's area of research:

[Empty text box for candidate's area of research]

If the home department is not typically designated as a STEM discipline, please identify the CIP code from the linked document that best describes the research area: _____

Please articulate the rationale for requesting P3 support for this faculty job offer:
